

Hi there!

Super excited to have you join the 2-Day Generative AI Mastermind! **This is a list of all the tools that we will be using in our workflows over the course of the 2-Day Training Program.**

We suggest you to have this document open while you attend the training from your **Laptop/Desktop** - so that you can participate with us!

Looking forward to a great weekend! Please write to [hi@outskill.com](mailto:hi@outskill.com) if you have any questions.

**(Link to the session will be shared on Email. You calendar must have been blocked already. Please keep an eye)**

Tool Name	What does it do?	Tool Link
Whispr Flow	Converts speech to text in real time across apps. Helps users dictate, format, and edit content hands-free.	<a href="https://outskill.link/wisprflow">https://outskill.link/wisprflow</a>
Gemini	Google's AI assistant integrated into Search and Workspace. Provides conversational, multimodal, and contextual help.	<a href="https://outskill.link/gemini">https://outskill.link/gemini</a>
Emily	AI tool for engineers to scaffold, deploy, and manage ML or microservice projects. Simplifies orchestration and deployment.	<a href="https://outskill.link/emily">https://outskill.link/emily</a>
Fireflies	Records, transcribes, and summarizes meetings automatically. Integrates with Zoom, Meet, and Teams to extract insights.	<a href="https://outskill.link/fireflies">https://outskill.link/fireflies</a>
ChatGPT	OpenAI's conversational assistant that can chat, code, write, summarize, and brainstorm across domains.	<a href="https://outskill.link/chatgpt">https://outskill.link/chatgpt</a>
Claude	Anthropic's AI model focused on safe, interpretable, and creative conversations with high contextual reasoning.	<a href="https://outskill.link/clause">https://outskill.link/clause</a>
Phot AI	AI-powered tool for editing, enhancing, and generating photos or visual content. Great for quick creative visuals.	<a href="https://outskill.link/phot">https://outskill.link/phot</a>

Supergrow	AI marketing platform to help grow leads, optimize campaigns, and accelerate audience engagement.	<a href="https://outskill.link/supergrow">https://outskill.link/supergrow</a>
Perplexity	AI search engine combining live web data and LLM reasoning to give factual, cited answers.	<a href="https://outskill.link/perplexity">https://outskill.link/perplexity</a>
Writesonic	AI content generation platform for blogs, ads, and marketing copy. Boosts productivity for writers and marketers.	<a href="https://outskill.link/writesonic">https://outskill.link/writesonic</a>
Numerous AI	A multi-purpose AI platform offering various automation and generation tools under one suite.	<a href="https://outskill.link/numerous">https://outskill.link/numerous</a>
Genspark	Generates creative ideas, articles, and media using generative AI — a “spark” for inspiration.	<a href="https://outskill.link/genspark">https://outskill.link/genspark</a>
Suno	AI music generator for composing songs, jingles, and soundscapes from text prompts.	<a href="https://outskill.link/suno">https://outskill.link/suno</a>
Notebook LM	Google's AI research assistant that summarizes, queries, and connects your notes and documents intelligently.	<a href="https://outskill.link/notebook-lm">https://outskill.link/notebook-lm</a>
Social Sonic	Helps create, schedule, and optimize social media content using AI-driven insights.	<a href="https://outskill.link/socialsonic">https://outskill.link/socialsonic</a>
Bolt	Developer tool or automation assistant built for fast prototyping and deployment of apps or workflows.	<a href="https://outskill.link/bolt">https://outskill.link/bolt</a>
Vapi	Voice or visual API platform enabling AI calling agents or multimodal experiences.	<a href="https://outskill.link/vapi">https://outskill.link/vapi</a>
Hey Gen	AI video generator that turns text or scripts into realistic avatar videos with voice and lip sync.	<a href="https://outskill.link/heygen">https://outskill.link/heygen</a>
Chronicle	AI-powered tool for journaling, storytelling, or knowledge management to capture key moments.	<a href="https://outskill.link/chronicle">https://outskill.link/chronicle</a>
Runway ML	Creative AI suite for video editing, image generation, and media production using machine learning.	<a href="https://outskill.link/runwayml">https://outskill.link/runwayml</a>
Midjourney	Text-to-image model producing high-quality, artistic visuals for creators and designers.	<a href="https://outskill.link/midjourney">https://outskill.link/midjourney</a>

Kling	Emerging generative video platform focusing on ultra-realistic, cinematic outputs.	<a href="https://outskill.link/kling">https://outskill.link/kling</a>
Krea	AI design and art creation tool enabling rapid visual exploration and creative experimentation.	<a href="https://outskill.link/krea">https://outskill.link/krea</a>
Leonardo	AI art platform for creating game assets, illustrations, and concept art using text prompts.	<a href="https://outskill.link/leonardo">https://outskill.link/leonardo</a>
Eleven Labs	Industry-leading AI voice synthesis platform for lifelike text-to-speech and dubbing.	<a href="https://outskill.link/elevenglabs">https://outskill.link/elevenglabs</a>
Higgsfield	Advanced AI company developing realistic 3D / video generation technology for creative industries.	<a href="https://outskill.link/higgsfield">https://outskill.link/higgsfield</a>
Humanic AI	Focuses on human-centric AI for personalization, empathy modeling, and user understanding.	<a href="https://outskill.link/humanic">https://outskill.link/humanic</a>
Magnific AI	AI image upscaler and enhancer that adds detail, improves resolution, and refines visuals.	<a href="https://outskill.link/magnific">https://outskill.link/magnific</a>
Lovable	AI design assistant helping teams quickly create delightful, user-friendly web apps.	<a href="https://outskill.link/lovable">https://outskill.link/lovable</a>
Emergent	AI discovery engine identifying emerging trends, ideas, and insights from large datasets.	<a href="https://outskill.link/emergent">https://outskill.link/emergent</a>
Happenstance	AI idea generator fostering serendipitous discoveries, creative prompts, and connections.	<a href="https://outskill.link/happenstance">https://outskill.link/happenstance</a>
Granola	AI note-taking assistant for meetings — transcribes, summarizes, and organizes discussions.	<a href="https://outskill.link/granola">https://outskill.link/granola</a>
Crystal	AI tool that analyzes personality and communication style to improve interpersonal effectiveness.	<a href="https://outskill.link/crystal-knows">https://outskill.link/crystal-knows</a>
Lyzr AI	AI platform for analytics and automation — “laser-focused” insight generation and workflow optimization.	<a href="https://outskill.link/lyzr">https://outskill.link/lyzr</a>
Rocket	Automation tool that accelerates tasks, launches workflows, or optimizes processes using AI.	<a href="https://outskill.link/rocket">https://outskill.link/rocket</a>
Replit	Collaborative online IDE with AI code assistance for real-time coding and learning.	<a href="https://outskill.link/replit">https://outskill.link/replit</a>

Perplexity	AI answer engine combining search, web retrieval, and LLM reasoning with citations.	<a href="https://outskill.link/perplexity-comet">https://outskill.link/perplexity-comet</a>
